This week...

Year 4 enjoyed the second of their cookery sessions with Mrs Goring. This week they made scones, learning the skills of rubbing in and mixing. The smell around school of the scones baking was delicious! Well done Year 4 for your hard work in cookery.

Pop-up Book Stall – Friday 1st December 3.30pm

We are excited that the PTA have also arranged for a 'Pop-up Book Stall' to visit school on Friday 1st December at 3.15pm in the school hall. They will be selling refreshments... tea, coffee, squash and a cake stall. This is a great opportunity to start your Christmas shopping early as all the books are £2. The children will all have the opportunity to visit the Pop-up Book Stall after lunch during the school day and can bring some money in to school to purchase books. Then please come along after school, stay for refreshments and purchase a book. This is also a great way to support the school as, for every ten books sold, the school receives a book.

P.E. Kits

Rather than sending PE kits home every Friday, from now on we will be keeping them in school for the half term. We hope this will help as it will be one less thing to remember each week and will ensure that the children aren't missing PE because they have forgotten their kit. If the PE kits get particularly dirty then the class teacher will make the decision to send them home at the end of the week. But otherwise from now on the children will bring them home at the end of each half term for washing during the school holiday.
